Consent for Treatment-Adult Psychological Evaluation

A psychological assessment (also referred to as psychological testing or evaluation) usually takes considerable time on both of our parts, often over the course of several days or weeks. During the first session, we will discuss your current and past family and relationship history, any problems or symptoms you are experiencing, any past treatment and its outcome, and other general background information. Over the course of several meetings, we will do a number of different tasks together. You will probably also complete a number of forms and questionnaires on your own. When you have completed all the tasks, I will review, score and interpret the results. Occasionally, I determine after reviewing some of the material that an additional test(s) would be helpful. If that is the case, I will call you to inform you of this. Most parents want to meet with me for a feedback session to hear about the results of the evaluation. I schedule this appointment approximately 3 weeks from the time of the last testing appointment to provide me with enough time to complete scoring, interpretation, and report writing. It is important to understand that I will not be engaging in psychotherapy with you when the psychological evaluation is being conducted. Nonetheless, I am still bound by the ethical and legal limitations and laws that any psychologist must follow.

Scheduling: Scheduling presents a special problem, because once testing time is blocked out, it typically cannot be filled again on short notice. As a result, I ask that you give me at least **48-hours** notice if you need to cancel an appointment. Failure to do so (except in cases of serious illness or emergency) will result in you being billed a cancellation fee as outlined in the Office Policies form. Please be aware that fees for missed visits are not covered by insurance.

FINANCIAL AGREEMENT

General: In consideration of the psychological evaluation being rendered to _____ (Name of patient) by Dr. Maria Hanzlik, I, the undersigned, hereby agree to pay for services provided in accordance with the estimated cost of the evaluation as outlined below. I understand that Dr. Hanzlik bills an hourly rate for psychological evaluations at a fee of \$200 per hour or \$1800 for a full evaluation (*the latter fee does not apply for forensic/legal evaluations*). This rate applies to all telephone calls to any other parties for whom I give Dr. Hanzlik permission to speak. She will also bill for all time in which she: meets with me to complete testing; reviews, scores and interprets the tests; writes the professional report; and meets with me to provide feedback about the results of the evaluation. The balance of the evaluation will be due at the last testing appointment (prior to scheduling feedback) with her. Dr. Hanzlik cannot meet with me, nor complete the assessment, including feedback to myself or other professionals, until I have paid the full balance of our bill for the assessment.

For insurance clients: In some cases, Dr. Hanzlik may determine that additional testing could be useful that insurance does not cover. She will discuss this with me prior to completing more hours, and together, we will decide whether we will eliminate some of the tasks or agree to pay a higher

cost. If I agree to further testing, Dr. Hanzlik will provide me with an amended financial agreement outlining the cost of the additional services. I understand that if the assessment takes considerably longer than usual, and I chose not to complete all the tasks rather than incur more expense, the assessment results may not be valid. Dr. Hanzlik will discuss what, if any conclusions, can be validly drawn from an abbreviated evaluation.

There are also times when insurance companies decide they will not pay for the cost of a completed evaluation based on certain diagnoses or if the evaluation results indicate I do not meet criteria for a mental health diagnosis. I understand that, even in these situations, I am ultimately responsible for the full cost of the evaluation.

I, _____, agree to participate in a psychological assessment conducted by Maria P. Hanzlik, PsyD, HSPP. I have been informed by Dr. Hanzlik of the nature of this evaluation, and I understand that a report will be written based on the results of the evaluation. Dr. Hanzlik has informed me that this is considered a medical record document that cannot be disclosed to third parties without consent, unless under special circumstances (e.g., possibility of harm to self or others, abuse or neglect of children or vulnerable adults, court-order). I understand that this testing is voluntary, and that I can choose to not be tested or to stop testing at any time.

My signature below indicates that I have fully discussed with Dr. Hanzlik the various aspects of our contract for a psychological evaluation. Dr. Hanzlik has discussed with me scheduling, the nature of the fee and policies regarding missed appointments, and I agree to proceed with the evaluation.
